## TAKE ACTION

Hundreds of thousands of Teamsters are working on the frontline in the fight against COVID-19. We are treating patients, delivering essential goods, keeping grocery store shelves stocked and so much more. We are putting our lives at risk so that others remain safe and healthy.

While we continue to do our essential jobs, we need to call on Congress to do its job to keep us safe. Here is what we need:

- Reliable access to life-saving PPE
- OSHA Temporary Standard to provide enforceable health & safety protections

Congress has announced that they are putting together a "Stimulus 4" package in response to COVID-19. This is our chance to demand that our elected officials live up to their responsibility of keeping us safe. **Go to: [www.pacfteamsters.com](http://www.pacfteamsters.com)** (PA Conference of Teamsters Home Page) to send an email message to your Members of Congress.
