# CALL YOUR PA SENATOR AND TELL THEM NO ON SB 965

Senator Wayne Langerholc (Republican) is the sponsor of Bill SB 965 Providing a Roadmap for the Testing and Deployment of Highly Automated Vehicles. We are at the precipice of an industry that will change the landscape of our Commonwealth's jobs, economic activity and investment. This industry is driverless technology or Highly Automated Vehicles (HAV).

The PA Conference of Teamsters STRONGLY opposes any bills dealing with automated driverless delivery devices. These devices eliminates jobs.
