LEGISLATIVE ACTION ALERT

PA SENATE BILL 1220

Please call, email or write your PA Senate Member, in your district, and tell them to vote for and support PA S.B. 1220. Tell them by supporting this bill they would be protecting the livelihoods of the more than 500 Teamster members who work at the Pennsylvania Turnpike.

PA S.B. 1220

VOTE YES

In these uncertain times, when Pennsylvania families are facing dramatic challenges to their health & safety and their economic security, it is just cruel to expedite the process of converting to All-Electronic Tolling (AET). We are appalled and extremely disappointed that the commissioners voted to go back on their word to phase in AET over an 18-month period and instead announced their intention to eliminate 500+ good-paying Teamster jobs within 2 weeks' time. Apparently, the Commission even tried to use the COVID-19 Virus as the pretext to eliminate these family-sustaining jobs and all the Commissioners went along with it instead of standing up for and defending the turnpike workers.

Tell your Senator to give PA **Senate Bill 1220** their full support to keep the state's promise to Pennsylvania Turnpike workers and their families.
