“Public Enemies”

Listed below are the PA State Senators and Legislators that voted against labor and the working men and women of this Great Commonwealth. We ask that you also scrutinize this list and if you see your representative is listed you need to do some soul searching and ask yourself can you and your family continue to support elected officials that vote against your best interests and attempt to silence you from expressing your political views that may differ from that of your representative.

PUBLIC ENEMY ALERT

The following PA Republican Senators and Legislators either sponsored PA SB 166 the “paycheck Deception” Bill, co-sponsored it, or voted for it. If your PA Senator or PA Legislator is listed below, you need to ask yourself why you would continue to support an elected official that does not have your best interests at heart.

Obviously **these** Pennsylvania

Senators and Legislators

Care

About

Billionaires

more than they care about the middle class, their constituent’s well-being, and family sustaining wages. This is their way of silencing the voice of labor since we do not always see eye-to-eye with them on issues.
