RE: PA Unemployment Denials

It has come to our attention that a substantial number of our members are being denied U. C. benefits by the PA Department of Labor and Industry for several miss-guided reasons, and are being required to file an appeal:

1. Working in Pennsylvania for an out-of-state employer.
2. Working out-of-state for an extended period of time.

In these instances, the Call Centers are telling our members they have to file their claim in the state they worked in, or in the state their employer is located.

Both denials are incorrect and should be appealed.

Thank you,
Frank
