LEGISLATIVE ACTION ALERT

TEAMSTER HORSEMEN

Although this alert does not directly concern legislation, the PA Conference of Teamsters wishes to congratulate Teamsters Local Union No. 776 for taking the initiative to form a Teamster Horsemen Chapter in Central Pennsylvania. The Horsemen provide help to charitable organizations and are always there to support Teamster causes and stand with their Brothers and Sisters to combat anti-union legislation and other laws that would have an adverse effect on labor. The horsemen also make for a unique backdrop when attending rally's.

Below is the message Teamsters Local Union No. 776 posted on their web site at:

Brothers and Sisters;

For years Members of Teamsters Local 776, along with other Central Pa. Locals, have expressed an interest in joining The Teamsters Horsemen. Due to the distance to the nearest chapter it would have been nearly impossible to actively participate.

In June, while attending the Right to Work Rally in Harrisburg, we were fortunate to meet and talk to members of the Horsemen Chapters that attended the rally. This again brought attention to starting a chapter in our area. With guidance from Tony Didonato,

International President of the Teamster Horsemen, we were able to set in motion the process to form a Local Chapter.

Upon submitting all the necessary paper work I was notified that as of July 27, 2017 we are officially Teamster Horsemen Chapter 53-W and are now accepting new members. For a membership application or additional information please contact Rob Smiley at (717)-649-4856.

In Solidarity, Rob Smiley, President Teamsters Horsemen Chapter 53-W
