Penn State Football is just around the corner as the Nittany Lions look to build off back to back 10 win seasons. Back by popular demand will be Organized Labor Ticket Promotions. All Teamsters, including their families and friends, will be able to purchase discounted tickets to the home opener against Appalachian State on September 1st and the final home game of the year against Maryland on November 24th (kick off times are still TBD).

Last year, over 200 tickets were purchased by Teamsters and union workers throughout the state. Inventory is limited and this offer gives all Teamsters a few weeks priority before the general public sale on June 26th.

To purchase your discounted tickets, please visit www.gopsusports.com/teamsters (all lower case). If there are problems with the link, or to order parking please contact Austin Scitti with Penn State Athletics at 814-867-6098 or at azs5496@psu.edu
